“ *Mr. Jones,  
Please accept my apology for the loss of Mrs. Jones. You may not know my name however; you may remember my face from Rite Aid. You all never had to tell me what you were there for, I knew. I came to know Mrs. Jones and her sweet personality each time she would visit over the last several years I was there. No matter how she appeared to be feeling, she always had a kind word about how she was doing and her face would light up with a smile. A few weeks ago, I relocated to another store several miles away in Kentucky and am quite saddened to hear this news. May God provide peace to you and the family during this time.*

“ Tonja, I didn't know your mother but you look like your mother and I know she was as wonderful of a person as you are. I feel your loss and want you to know how much you and your family are in my thoughts and prayers. Cherish the wonderful memories and times you had together. There is nothing like a mother's love and you will always have her by your side. Love you, SARA
