“ *My heart is broken. I'm just learning of this, as I left facebook months ago. I've moved to Oregon. My deepest heartfelt sympathies go out to her family. I will ALWAYS remember her as being one of the nicest, brightest, most positive people I ever had the pleasure of knowing. She ALWAYS lit up a room. What a contagious smile she had that she shared with everyone. What a great golden heart too. I'm sorry Janice I missed saying "Till Later, girl!" but I believe in my heart of hearts, I'll see her again...that is if she will put in a good word for me in Heaven! I promise to work harder to be more like her so hopefully I can make it there and we can laugh again together. I miss you Janice. I'll miss talking with you on FB again. Go rest high on that Mountain. I'm thankful to know you are with your parents now. I know they missed you. To your family...Thank you for being the loves and light of her precious life. You all Always were and ALWAYS WILL BE that for her eternally. "Till Later Girl!" Your forever friend, Lynne.....Prayers and hugs to her family*

“ Kenny I would like to say I am so very sorry. Janice and I kept in contact after we no longer worked together and the kids had grown up. We talked through unhappy times and the times of happiness. She was so happy that you all were back together. Everyone could see how happy she was to have her family back together. Not many have that. To Clif, Crystal and Wayne, you are your mother's legacy. Further proof of the love your parents have for each other. Pull this family in as close as you can. Be there for each other and comfort one another. Know that you will always carry your mother with you in your hearts and I know she will be watching from above. Speak of her as often as possible. Tell her grandchildren all about her. The days ahead are going to be tough but it will get easier with time. You will always want and need her, That will never stop but time has a way of lifting some of the burn so that you will carry on. Make her proud. I know you will because you are what she left the world with, the most precious part of her. Kenny you hang in there. You have one more reunion, just one more and then you will have eternity. Can't you see her standing at the gate with that beautiful smile and taking you by the hand and saying I've been waiting here for you. You will be in my prayers for comfort and guidance. God be with you all.

“ I am in shock! My heart aches for the whole family. Janice was way to young. I can't imagine the hurt all the family is feeling. Crystal, I love you very much! Everytime I seen your mama shed give me a big hug and tell me she loved me. After a hard time in my life I'd ran into her a few times her words were always comforting. She was one of the most beautiful mamas I knew. I'm soooo sorry!!! I am just in shock over this. Hugs to Cliff, Crystal and Wayne. I was so happy to see she was with Kenny. Glad to know she was happy. But nothing will ever fill the hole in all your hearts. But if anything I could do let me know. I love you Crystal Lynn even if I don't see you as much as I'd like your still a sis. Prayers for all you guys! Xoxox
