“ *To The Family of Janie, I am sorry to hear about Janie's passing. Although I have not seen Janie and the rest of the family for many years, I have fond memories of when we were children visiting. I would like to believe that mom and Elizabeth are with the children they haven't seen for years and are opening their arms and hugging them and loving them. Again I am sorry for your loss but maybe mom and daddy, Ethel May, Elizabeth, Morgan and Janie are all having a party at God's house.*

“ *Kevyn and Brad,
I am so sorry about your mom. I always loved her and she will always be my Aunt Janie. She always had that beautiful smile on her face no matter where she was or what she was doing. She will always be remembered for all the love and support she gave everyone. Just remember we will all be reunited with her in Heaven one day. I just hope you will use that as some kind of comfort in the days ahead. I know how hard this is for you both. We love you and will always be here if you need us.*

God Bless you both,

Carla, Willie, Shannon and William. Lynn
