“ *I was sorry to hear about Jean. I just wanted to say what a kind person she was. In 1990, I moved into the apartment on Briar Cliff above Jean. She introduced herself and was always so nice to me. She invited me to church and took me a time or two. The thing I remember best is her vegetable soup. One day, after I got home from work, she brought me a large bowl of vegetable soup and some corn bread. It was delicious. To this day, homemade vegetable soup reminds me of her. She was a sweet lady and I will always have fond memories of her. God bless you all.*

“ To the Bryan family, the picture of her is exactly how I imagined her before her illness :) As a nurse, there are many patients that touch my life, but Mrs. Bryan was one of those that I endeared as a little more special. I know that she was thankful for all the support and love that she was shown by her family during this difficult illness. My heart and prayers go out to all of you. She will be missed!!

“ Dear Leslie and family,

Your mother was such a dear person and was so helpful to me with the Peaks Mill Cemetery book, in that she knew many people, as well as helping with the Manley family information.

My mother and she were good friends, too, and I know they will meet again now. God bless all of you during this time of sadness, but knowing your mother is in good hands and without pain, suffering or worry.

With deepest sympathy and love,

John and Brenda Duvall
