“ *My Aunt Jean will always be in my thoughts. I loved to tease her she was very thoughtful when my Dad was sick and before he passed she always told my Mom she was praying for him and I will always appreciate that. She was very special in her own way and was never anything but kind to me. I loved to tease her and ask Mom if she had called to report the weather every morning to her. I know Mom will miss those daily phone calls. Prayers to my Mother, Aunts and Uncles as they have lost another sibling. I'm so glad Jean is no longer suffering and is now pain free.*

Jean was so sweet to us and my sister Shelia at Owenton Center. She always told us what was happening when we weren't there ❤️
