“ *Jim (Jimmy) told so many stories about himself, Jean, Barb and Tom. And Scotty as well. They must have been quite a group from all the laughter and fun he described. He would often call Jean to talk about those old times before he died. Prayers for you all. She was a special lady!*

“ *Jean was always so welcoming when I visited her and Francis. Always had food cooked and plenty of stories to tell. She made me laugh in her garden boots and shorts. Prayers for her family.*

“ Prayers for my Father Bubby and my Uncle David because it can't be easy losing a sibling and your only sister. I know you have a lot of good memories to hold on to. To my two cousins Dianna and David we too have a lot of good memories , so do our children. We all had wonderful Christmas and birthdays, Jean made them special for us . To Barb , her cousin that was more like her sister you too have a lot of cherished times you had with Jean. She loved you like you were her sister, she had other cousins , family and many friends and co workers some that have passed that she held close to her heart. Jean was sick many years and it's unbelievable how strong she was. I'm grateful for the last two visits I had with her , we had wonderful time just talking about everything and hearing about Jean's desire to move back home however that did not come about. I'm most thankful to the Lord for Jean suffering no more. That's the most important thing.
