“ Deepest sympathy and love to the entire family from Dottie and Don Jeffries, Tim and Kevin Thomas. We have known Jebbie all our lives as Pippin and I have been close friends since age 14. Our children played together. I remember Jebbie as sharing art stories with me as we were both artists, trading books, having lunch with she and Pippin and talking with her about places where we had traveled and sharing our travel journals. Jebbie was interesting to talk to and we all had a deep love of animals. I remember when she was well enough to care for several little children in her home in Frankfort and Pippin and I went there to visit her. Jebbie was passionate and informed about her politics.
We also followed her long illness with deep concern and much love for all every week.
We rejoice that that hard journey is over and Jebbie is at peace.
Love,
Dottie and Don
