“ I worked with Jeff for over 30 years and learned a lot from him. He was a knowledgeable and dedicated employee. He was also devoted to his family. He was one of the good guys and will be missed.

Jeff was a wonderful, loving son. God blessed him with a brilliant mind, a wonderful sense of humor and a loving heart. He is greatly loved and missed by many family members and friends. His dad and I look forward to seeing him in heaven.

*I am terribly sad to hear of Jeff's passing. I had not seen him since our last days of high school together. Most of my memories of him come from playing basketball both with and against him. When we were Freshman, Jeff went to Campbellsville High School. At the finals of our Freshman Basketball Tournament we had a 14-0 record and thought we were something special. Jeff just about single handedly sank our perfect record. with his jump shot. We ended up 14-1 and were real glad to see him show up at TCHS our Soph year.*

*Another funny story I remember about Jeff. When we were Juniors, we both were bench warmers, only he was the son of a coach and knew more about what was going on in a game than I did. It never failed that sometime during the game he would lean over to me and say something like, "I wonder how we're going to answer their 2-3 zone defense?" and I would be thinking, "I better act like I realized they were in a 2-3 zone defense."*
