“ *Angie, please know that my thoughts are with your family. If I can do anything, please let me know.*

“ *Jeff was a big hearted man with a quick smile and concern for people. He had a great sense of humor and a quick wit. He cared for many folks who could not fully care for themselves. He will be missed, but not forgotten.*

“ *It was a year ago today that you left us and went to be with your Lord and Savior. Sometimes it feels like centuries ago and other times it seems like only yesterday. I miss that smile and that laugh of yours. You always could light up a room with your beautiful smile. You also had one of the biggest hearts of anyone that I know - but I think that must be a Hardin trait. It is not our place to question why God would take you from your family at the time when He did, knowing that they would need you so much in the short months to follow, we just have to know that He had a plan and needed a very Special Angel in heaven and He chose you. You will always be in my heart and it gives me great peace knowing that someday we will meet again in that castle in the sky. Love you sweet boy.*

“ We have not gone a day without thinking of Jeff and what a loss he
was to all of us for we considered him our extended family. We all
have such wonderful memories of him that have to last through our
lifetime and because of who he was, the kind of person he was, and
because he was such a huge part of our lives,there is an
abundance of wonderful memories for us to hold onto. We love you
Jeff and hold you in our hearts.

“ Not a day goes by that we don't think of Jeff. Every once in a while
when we are sitting out back chatting with Nanny, I sometimes find
myself thinking of different times out back chatting with Jeff as well
and think I hear his voice in my head sometimes. Miss you lots!

“ Praying for comfort for his family, friends and Angela during this time. I knew Jeff years ago and though we didn't stay in touch, I always treasured the memories...especially of his smile. I think the entire community is in mourning...he was such a special person. May God Bless & Keep You...and may you find the much needed comfort in our Savior.

“ Roger, Vonda and Family, We are so sorry to learn that Jeff has left this world. He was a wonderful person, always smiling and kind to others. I still remember how he used to play with Steph and entertain Jordan and Niesah at the store, he always had such a big, bright grin. He will be missed by all that knew him. Praying that you will find peace and know that he is loved. If you ever need anything, just let us know. Keeping you all in our thoughts and prayers. Jenny, Steve and kids

“ Words can not convey what a great loss Jeff's passing is! He was by far one of the nicest, most genuine and giving people I have ever known. I am honored to call him my friend. I hope Jeff's family will find comfort in knowing his spirit will continue to touch others through their precious memories of him. He's hanging out with Tim B. now and that makes me smile.

“ Jeff You were such an amazing person and the world has lost a little of its sparkle with you gone. Many prayers go out to your mom and dad and the rest of the family. “ Roger, Vonda, Angie and Lisa - I am left without words for the loss of Jeff. I can only say how very very sorry and saddened I am by his passing. Just seems like it was yesterday when he was just a little thing, running around and getting into trouble; and I guess I will always remember him as that adorable little boy with the smile that would light up a room and warm your heart. He may have grown up; but never lost that smile or the laugh that went behind it. What a great man he turned out to be and a blessing to everyone that knew him. He will be missed; but he will never be forgotten. Senate will never be the same. Love to the whole family and know that if you need us for ANYTHING, just give us a yell. We love you and please know that you are in our thoughts and prayers.

“ i don't know why some are taken from us so soon. The summers in Frankfort with my second family the Hardin's have never left me. Jeff was my best friend. I'm sure a lot of people are going to say this. Jeff was special to us all. I have married - raised a family and like most of us have fallen into " My Life". The summers in Frankfort with my friend's enter my thoughts often. They would always bring a smile to my face. They always will, but now they will also be a sad reminder of the loss of a very special friend. I love the Hardin family and my friends in Frankfort. I love you Jeff. I will always call you my best friend.
