“ Dear family and friends,
We were very saddened to hear of the passing of Jeff. He was a special person. We know he will be in your hearts and his memory will be with you always.
We had a special moment with him 15 years ago when our youngest daughter was getting married. Jeff was sweet enough to help us catch and carry 20 plus fan-tailed gold fish from our home to Frankfort to place in beautiful arranged bowls on the reception tables as center pieces. He rolled up his sleeves and literally caught the fish and carefully placed them in the container and helped take those fish to the wedding reception. We teased him about fishing right before the wedding and hoped he would not be too fishy smelling!
We pray that God's Grace and Peace will be with you all.

“ Jeff, You were a friend to me when I was down on my luck. I will never forget that. I barely had gas to take my kids to school, and you found work for me. When my father was in the hospital dying, you came and sat with us. We talked about how much your family meant to you, and how you couldn't imagine losing any of them. I know you will watching over the ones that you love. Jeff, Thank you for being there for me. RIP brother

“ I always loved/will love Jeff. That sweet boy smile, even when he wasn't so innocent anymore. It was a joy to run into him around town and spend a few minutes catching up. He was always pleasant despite whatever he was going through and we always had a good hug. I will miss him as sure as you guys will, we just have to keep him in our hearts of faith until we see him face to face again.
