“ Mr. & Mrs. Travis, Stacy and Stephanie, My heart goes out to you for the loss of Jeff. Loss of a loved one can not be understood unless someone has lost someone near and dear such as a son, a daughter, a brother or sister or a parent. I am very blessed to still have my sweet Momma, my sister and my brothers but we all still feel the pain of losing my Dad so long ago. I hope you can take comfort as I do in the thought that we shall all meet again in Heaven and what a blessed day of rejoicing that will be.
