“ *Mike I only had the opportunity of meeting your mother a couple of times. I knew she had to be a special person because of the wonderful person you are. I know that your mom will be greatly missed by all of you. Ms. Harrod is in a better place, it is really hard to let go, but she will have no more pain or suffering. May God continue to bless you at this time and the pain that you carry on your heart, I pray that the Good Lord will take that pain away. Always remember the happy times they will keep the smile on your face and sometimes a few of them will bring a tear. Much love to you my friend.*
