“ Jennifer was and will always be my best friend. We meet in high school and that friend ship continued into our adult life's No matter what life threw our way we still were friends. We could miss seeing each other for years and pick up right were we left off it seemed. She was beautiful in and out so smart, nice and loved her sometimes warped since of humor but i think that was one of many things we had in common. i pray for god to help you and your family during this horrible time. i miss her terrible and always will. If you need anything please do not hesitate to email or call me 352-7913.

“ I worked with Jennifer several years ago in the x-ray department at the hospital. It was, in fact, during her transition from a secretary to an x-ray tech. She was a very kind and friendly person and I very much enjoyed working with her. I remember her family being her highest priority and how lovingly she would speak of them, especially her daughter. Just wanted to say what a sweet person she was and how sorry I am for your loss.
