“ I have known Jeremy from the time he was a "Squirt" living in Ridgeview. I coached him in baseball and have known all the family for several years. Jeremey always had a beautiful and wide smile no matter where I saw him. I would loved to have come to his funeral and express my condolences in person to all the family but we were out of town to another funeral and only returned after it was too late. My thoughts and prayers are with all of you. God Bless....

“ I learned of Jereme's passing today, and my heart broke. Though I did not know Jereme very well, I do know he was a very good, kind, warm hearted young man. Yes, he had a beautiful smile. The kind of smile that makes you feel good deep down in your soul. Not many people have that special smile which leaves a lasting impression. Everyone wishes for the magic words to express to a family who has lost a loved one, but there are no words. Just remember the precious impact Jereme had on other people's lives, and he probably didn't even know, because Jereme was a very humble young man. I always saw that in him. Jereme still lives on through his children who he loved so much. Jereme Covington will never be forgotten. Rest in peace precious child.
