It really meant a lot to me. Just know that God will help you through this horrible tragedy. Craig and I will be praying for you and your family. Hope to see you soon! Love, Loretta

“ Many folks don't know this, but Jeremy and I used to be good buds when I was little, Susan used to take good care of my brother and me anytime we came over to play. When my Grandfather lived on Willis Ave. I used to visit Jeremy all the time over at Eastwood Garden Apartments. Man we played all kinds of sports together, went swimming together, played nintendo, all kinds of good stuff kids do.

Homeboy was a fierce competitor, I have some great memories of him, he was a funny dude too, he had a knack for making people laugh and he had one of the most unique laughs I've ever heard in my life, I can picture his smile and hear his laugh even as I write this. Dude used to make me roll! Great times!!!

Even though we lost touch over the years I always considered him a good friend. You will be missed my friend, I pray to one day see you in the other side of life. From Baghdad, Iraq, 2009-2010, Chief Petty Officer Jerry "Travis" Coates, USN. May the good Lord richly bless your family during this difficult time.

Sincerely,
Travis Coates

Dear Susan and Family,

“ Dear Susan and Family:
We did not know Jeremy personally but when Jordan was young Tammy (our daughter) kept him some while in the apartment complex and we got to know your family better through him. Our roots of course go back to growing up in Thornhill and so it is out of those connections that we feel a bond with you and your family. You will receive all kinds of words of comfort and encouragement during this and we wanted you to know even though we are not with you in body our prayers daily are presented to the only One that will get you through this. May our paths cross on different circumstances but our heartfelt love is extended at this time. Ed and Sue Palko
