“ I'll always remember Jeremy as a funny, quirky guy. Always making up songs or sound effects. We ran with some of the same crowd when we were younger. He always gave me the biggest hug. Rest easy Jeremy. The world just won't be the same without you in it.

“ Jeremy was my cousin who shared his love of music with me. We would spend hours making up songs and using sound effects when we were kids. He was an amazing artist, I will miss him and we love him. Krista and family

“ My beautiful baby boy was such a good baby. I was so young I didn't even know what I was doing! Every minute of his life is flashing before me now. God I hope I never forget a thing! I am heartbroken but I will not give up fighting against mental illness and addiction in your name. I love and miss you so much?

“ We were so sad to hear about Jeremy. So thankful we got to see him last fall when we came to visit Aunt Betty. I’m hanging on to the memory of that big hug he gave me when we were leaving. Sending prayers to you all.
