“ Anita, Cathy Ann and Terry,

I'm so sorry for your loss. I talked to Jerry Lee at the funeral home when Dalene died, and it was like looking back in time; he looked so much like his dad. I'm not able to get out or I'd be there to tell you this in person. I'm still in Chemotherapy so I'm very limited on what I can do for another month. Please know that each of you are in my thoughts and prayers. God Bless

“ Dear Jerry,

It was was a pleasure to work with you, we had some fun, through good and difficult times.

I'll always remember your dedication to quality, going the extra mile and doing the right thing for the customer. Especially your wonderful way of saying things, the "Jerryisms" and sense of humour.

My deepest sympathy to your family.
