“ Dear Donna, JJ & Nikki So sorry to hear about Scotty passing. I have the best memories of you and Scotty when you all would dance at parties during our high school days. You all were the cutest couple and the best dancers. Johnny and I would get a big kick out of you two having so much fun. My Johnny passed away March 6, 2011. He was sick along time. So I know what you and your family have been going through. Love you all even though the years have kept us busy with family, work and grandkids. Email me anytime you need someone to talk to. An old friend little old me. Love you all

“ So sorry to hear about Scotty. I was raised by my sister, Dolly, after our parents passed. Didn't get to be around Scotty much because I left home soon after he was born. God bless his family and may their memories be great and their pain be eased. Love, Uncle Floyd.

“ To Scotty's Family - My heart goes out to you for a real gentleman who I fondly remember as a young boy and grew up with on the playgrounds of Second Street and the ball fields of high school. He was never anything less than friendly, gracious, a joy to be with, and a pleasure to know.

“ Donna, JJ and Nikki...my heart goes out to you for your loss. When I
lost my mother my grief counselor told me find things in my son that
my mother had instilled in me and in doing that she would forever
be with me. I know you can find pieces of their father in your
daughters Donna and in your kids JJ and Nikki. We love you guys
like family and are here for you today and always . Janet and Jon-
