“ *I live in Pikeville and I worked with Jerry on several events in my area. Jerry had a true love for the young adults that he come in contact with and whether he new it or not he did make a difference in some of their lives. That is the reason that we are out here. Jerry will be truely missed, he always made us laugh. My prayers go out to his son (Aaron), family and friends.*

“ Jerry was a great friend and had a super kind heart. He made me laugh, made me smile, and sometimes even made me cry. He was always there as a shoulder when one was needed and a great companion and friend when I was lonely. Jerry made the world a brighter place... and greatly impacted the lives of those around him.
