June 12, 1953 - April 7, 2016

Jerry Scott Young, 62, of Frankfort was born on June 12, 1953, and joined his Heavenly Father on April 7, 2016.

Jerry was a 1972 graduate of Franklin County High School and was a friend to many. He never met a stranger and had the heart to prove it. “ *Jerry was a great friend to my husband and me. Richard met him the first week he came here from Oklahoma. He would come to our camper we had while we were building our house and they would play for music for house. He bought a new boat one year and they went riding down below the locks and all of a sudden the boat just stopped. Richard told Jerry that it sounded like it was out of gas. Jerry said couldn't be because he just filled it up. They had to troll back up the river and Richard had to climb the wall to get the guy to let them lock back through at 1:00 in the morning. About 5 years later I was visiting Jerry and Deb and Jerry finally told me he had forgot to fill the tank. They both had a big laugh from it. That is only one of the stories that had. He was a great person and a 40great player but couldn't sing a note. Linda Collins*
