“ *Paula, I'm so sorry for your loss. Jessica was one of my favorites. She was always kind and fun to be around. I remember when you were pregnant with her and we all went to Florida together. Jessica was a lot like you. She loved people, especially her family. Just know I hold you in my heart and prayers. I wish I could be there for you.*

So sorry for your loss of Jessica which I have known through my daughter Nicki Hay. She would stay at my house when they were young or Nicki would be at your house. When she went to Florida with us for a week one year she would have us rolling with laughter with some of the things she would do or say. I loved like she was my own and she will always be in my heart. God Bless you beautiful angel.

“ I have a picture of Jessika when she was first born.....she was wearing a pair of lime green leg warmers.....she was only 5 pounds when born.....so if it had not been for her feet those leg warmers would have fallen off.....may you be a shining star.....RIP sweet girl....
