“ *Jeune will be greatly missed. I have been one of her neighbors for years and always enjoyed sitting on her front porch in her swing talking to her. She would always stop by if we were working in our yard and visit for a while. She was a very special lady. I do know she in a better place now. She is in Heaven with my sweet sister that I recently lost to brain cancer. Cancer takes too many of our loved ones away and I hope that will some day they find the cure. My thoughts and prayers are with the entire family. We now have another Angel watching over us. God Bless!*

“ *A person that departs from this earth never truly leaves, for they are still alive in our hearts, through us, they live on. My condolences.*
