My thoughts and prayers are with you. It's hard to lose someone who is so important to you, but rest assured that the memories will always be there to help you smile. My Father died in 93 and my Mother in 94 and it still seems like yesterday sometimes. My consolation is knowing that they are my, and my families guardian angels...that makes me feel WONDERFUL knowing their love is protecting us. I hope you see your Mother as the Angel she will be for you now.

Please let me know if there is anything I can do for you or your family!

*Love
