JoAnne was such a lady. I worked with her many years at KSBA and she was so kind and helpful. May the Lord hold her in his loving arms and send peace to her family and friends.

Joanne was such a pleasure to know and always helpful to me as a coworker. Heartfelt sympathy to the family and all who loved her.

Joanne was a special friend. We have been friends since high school. Once Joanne's friend, always her friend. I haven't seen her in person for a long time. When we have chatted in recent years, she would mention her limitations that prevented her from living life to it's fullest. She is free from those limitations now, united with loved ones to welcome her to her eternal home. Joyce Jennings

Have known Joanne for many years. Met her while Darnell was living. She and my sister in law were long time friends. Rest well sweet lady. You were sick for many years and deserve this rest.
