“ *I had the honor of serving John when him and Sam would come to eat at Chili's. What a great person he was. Enjoyed their visits and always looked forward to seeing them. From everyone at the restaurant we will miss him dearly. Exactly one year ago yesterday he brought me a travel mug from Harding University as I had told him I went to school there.*

“ *John was a member of our Mustang Club who enjoyed our drive and dine excursions. John loved his automobiles and talking about them. I remember coming to his home and sharing his Birthday with him and members of our club and his family. John will be greatly missed. Happy roads John. Sandy Moore*
