“ I’ve found this page while looking for his lovely daughter Tina, who was a classmate of mine in Arlington in the 1980’s. Only this evening I learned the awful news of the loss of Tina. I have very happy memories of the friendship that Becky, Tina and I had back in our high school days and was prompted to search for Tina on the Internet when I was watching a show, Death Valley, and saw a lovely actress who so reminded me so much of Tina and her mannerisms reminded me of sweet and funny conversations we had. How my heart hurts for the family and the sadness of the loss of Tina and now I learn of her father’s passing. Please know that my prayers and thoughts are with you forever, in honor of Tina’s unforgettable beauty and sweetness. I’ll be listening to Toto’s Hydra with so much more depth of feeling now... we both adored that music and shared similar interests in the arts.

“ *When my cousin Beverly married John her love for him was enough to tell us he was a good man. I met him only a few times and he varified that opinion. I know he will be missed by all and you have my heart felt sympathy.*
