“ *A piece of my heart is now in heaven. You was my brother, my friend, the best uncle to my kids!! Don't worry I will deliver the promise you made to the kids for their good grades! I'm missing you so bad , the early morning text, the middle of the night phone calls from the boat, hanging out at my kitchen table just me, you, and mom just talking about whatever the memories will be forever cherished! You've always been in my corner and i know you will continue to be there in spirit making sure I'm ok! I love you and miss you and yes you was always my favorite brother! Lol*
