“ *My sincere sympathy and condolences to all the family. I will miss Mrs. Wood and was truly blessed to know her. I first met Jhness when Regina brought me to the farm to visit. I was impressed with her quiet intelligence and calm demeanor. Over the next 35 years I visited infrequently sometimes with Regina and sometimes with Sarah, yet their Mom always took up conversation with me as if I had just seen her the week before. She remembered my family members and made me feel welcome and cared about. What a lovely hostess she was! She gave each of my sons teddy bears soon after they were born, and numerous other kindnesses through the years. I was always glad to see her at mass, and she never failed to say hello. What a beautiful, faithful, serene and compassionate lady!*

She was loved deeply by her grandchildren. I have so many fond memories of her house and playing on the farm. She loved to play the piano and was often found singing in the kitchen. She had a peace about her that undoubtedly came from her strong faith. She will be loved and missed always.
