“ *I could go on for days about the memories that me and jonathan shared. We grew up together in the same neighborhood and played basketball together all the way to our adult lives. The memory that stands out the most is when my first wife passed he was by my side ever second of the day. He would not leave my side until he knew I was gonna be ok. U will be missed my brother(in tears). Ps. Keep the court warm cause I can't wait to play basketball with u again. Your brother and friend Robert C*

“ Jonathan came up on me getting gas about a year ago, laughed at old times & what we've been up to. But before he left, he gave me a hug. And I always think about that moment cause we we're always more of a hand in the air "later" type. Prayers to Burger Family..see ya Later man

I have known Jonathan for many years and we had some great times he, my friend/sister Crystal and myself. He worked on my cars... he even took me out on the river in his boat... that was rare for me. Jonathan always treated me kind and with respect....it is a shock to hear of his passing, so young. I'm praying for his family and for my friend Crystal. I can't imagine the pain in their hearts. I know his spirit is in glory. Cathy Moore

I have known Jonathan for many years. I met him through my sweet friend Crystal. We all used to hang out together nearly everyday. It's sad to say as we got older I don't see many people... Jonathan used to work on my cars and even took us out on the river in his boat. He was always sweet and kind to me. He used to pick on me and kept me laughing. That is the first thing I think of when I look back... always joking and picking on me. Love you Jonathan... Rest in heaven brother. I'm praying for Crystal, his family and all who loves him. May the Lord bring you comfort. Cathy Moore
