“ *Sending my deepest condolences to all of the Thomas family. JT and my son, Justin, worked together at Hibbits and lived together for a time, many years ago, before each went on into adulthood. JT would befriend me on fb, no matter where he was, and would call me Memaw, as my grands do. Throughout his struggles, he would always talk about Sophia and Elija, new jobs or relationships and would ask for prayers. JT was a beautiful young man and I will always remember him fondly. I apologize. My son and JT didn't work at Hibbits together. They met through mutual friends and shared a house together.
