“ *Brother Joe was a great Godly man. He always showed love & kindness to everyone. What we will remember about him most his the love he had for the Lord. He would play the guitar & sing his heart out to God at Church. The Holy Spirit would always come over him and he would become very emotional & humble before God. He allowed our youngest son to play the guitar along side of him. Big Joe & little Joe he would say. 😊 To his children & grandchildren we want you to know that he loved and cared for each of you deeply. He has fought a good fight, he has ran his race & kept his faith. Now he will be given his crown of righteousness! We love you guys. The Tinsley Family*
