“ *My deepest sympathy for the loss of Joe. He and I were close friends for the last 10 yrs. We stayed in close contact even though he moved to KY. I was aware of his medical condition but I prayed he would continue to live as long as he wasn't in any pain. He did a lot of work at my house when I had to sell it including fixing a couple roof tiles on Christmas Day with snow on it.*

*He moved me to the South in January a few yrs back from WI to SC. He drove a moving truck and towed my car. As we drove thru IL on the interstate I could not look at all when we hit Chicago.....I thought that was end for me.....lol....but he sure made it!*

*I miss him terribly but I know he is in a better place now with no pain. I agree with what Joy said that Joe is now back with his wife and I know he has a big smile on his face.*

*Good bye for now my friend. I'll see you on the other side. My tears will turn to smiles as time goes on.*

“ Our deepest and most sincere sympathy is being sent to Joe's entire family. Joe was indeed the kind of man to give you every last dime he had. He always said they need it more than me. If you helped him out, he never forgot; always ready to help in any way he could. We truly will miss Joe with all of our hearts. At least he can be with the love of his life, his dear wife, now. Good bye dear friend!
