“ To DEAR Shannon and Joe and kids..
We are so sad about you losing your dear
Dad and Bumpa...
We had so many fun times together...
especially when your Mom and Dad
lived in San Diego .. that is when we got to see them the most.. We
had a lot in common ...
our babies (Shannon and John Michael)
were only a month apart!..
When your Mom and Dad moved to Kentucky we didn't get to see
you as much but
sure enjoyed all our long phone visits!
AND we sure enjoyed the visits to Kentucky!
LOTS of fun memories!!...
Your Uncle John was especially close
to his big brother Joe.. who was also his
best friend... “Words with Friends” kept them close... That was the
first thing John did in the morning...
.. they played the day before he died but Joe didn't answer him the
next morning ...
These are sad days for our family..
You are in our thoughts and prayers...
With LOTS of LOVE....
Uncle John and Aunt Patty

“ I adored Joe. When I moved into my home in South Frankfort in 1978, it was heated by a gravity furnace. Many times Joe got my call early in the morning because the pilot light had gone out. He never failed to answer that call and help me and my small children. His retirement from Sorg was a sad day for me. I send a heart full of love to the family.

“ Big Joe was a great man for sure. I'd always strike up conversations with him while he'd wait in the car rider line to pick up his granddaughters from Collins Lane. I knew Big Joe from being a couple years ahead of Little Joe and in the same class as Shannon. It was nice seeing him in that proud grandfather role. My condolences to their whole family.

“ I've known Joe for many years, back when he was with Sorg's. You could always count on him for help. He will be sorely missed. I loved to see him at WHHS ball games and tried to make a point to talk with him. My condolences to the family.

“ Big Joe was a true friend and will be missed by all that had the pleasure of knowing him. I had the honor of getting to know him many years ago when I coached his son, Little Joe, at Bondurant Middle School and then later at Western Hills High School. You could always count on Big Joe to help wherever needed, whether it be helping in marking off the field, help with the boosters, or work around the field house. Prayers to Shannon, Little Joe and the entire extended Stomberg family.

*This is over 5 years later and I just discovered what had happened to Joe. Am pretty sure we served together on the USS KRETCHMER when I was his division officer. He was a terrific leader and kept my bacon out of the fire several times. Would be nice if one of his kids could get back to me. Great things to share. Mike Morrissey
