“ *Beverly I am so sorry for your loss. Joe was the best to me always, hooked me as one of my hero's growing up from the first night when you showed us a Mercedes Gulwing he was working on. To the days when he worked for Sheriff, and would share stories, and listen to a young man's dreams/bs, to the last time I visited to see the Cobra he built around the time my Pa Paw passed. I could never tell him how much I cherished his friendship, kind words, and time I got to spend with him.*
