“ *My deepest sympathy goes to Joyce's family. Joyce and I were classmates at Frankfort High School, graduating in the Class of 1954. I remembered Joyce as a very sweet lovely girl.*

“ *There are so many memories to be thankful for. Joyce was a great mother, grandmother & great grandmother. I have known Joyce for over 35 years as a daughter in law and then a friend. I am so thankful and blessed that she was the BEST grandmother to mine & Curt's daughter Niki. Joyce hung the moon many nights and lit the sun many mornings in Niki's eyes. Joyce will forever be in our hearts and she will continue to live in her family for many many years to come. Thank you for the memories...until we meet again at Heaven's Gate.*

“ Dear Kenny, Curt, Joe, and Family:

I am so saddened by the passing of Joyce. I had the honor and privilege of working with her as a proofer in the General Assembly for a number of years. I considered her a very dear friend. She fought the long hard battle of cancer and other health issues with grace and dignity. She never complained about her pain or disappointments of life.

I feel blessed that she was a part of my life even though for a brief time. Her smile, laughter, and wisdom made life happier and better for all of us. She will be sadly missed.

My thoughts and prayers are with all of you in the days ahead. May God give you extra strength and comfort as you cope with the loss of this special, extraordinary lady who touched so many lives.
