Please accept our condolences during this difficult time. I'm sorry that we were not able to pay our respects in person, but I am currently stationed in England. “ *Dear Bruce,*

Mother just informed me tonight of your loss and that she had been to visitation for Judy. I can't begin to tell you how sorry I am for you and the boys. I too, watched my spouse go before my very eyes. It is a sorrow so deep and sad you physically ache. Although I didn't know Judy, I have known you for many, many years, and she had to be one of the most special women in the world to share the life of such a special man, like yourself. Please know you and the kids are in my thoughts and prayers. Just try to feel all the pain and rely on Him who knows us and loves us anyway. Otherwise, the pain just won't lesson... I'm sure you find great comfort as did I, knowing where they are and with Whom they get to rejoice. It doesn't however, minimize our pain or our children's. God bless all of you.

Fondly,

Dawn

“ Bruce, my thoughts and prayers are with you and your sons. Wish I could have come to visitation, but I am unable to drive at this time. I myself have just had a brain tumor removed back in November, and thankfully, all was gotten out. I hope to be around for another 20-30 years. Seems like only yesterday we were working together with Sanford & Juanita, Ruby, Frances, Doris & of course Rodney. I miss him terribly. We worked together for over 25 years. You take care and again, may the good Lord be with you in this time of grieving. HE and only HE will get you through this.

“ Bruce, Bruce, Brian and all the other Brooks family, My thoughts and prayers are with you at this time of loss. The world has truly lost one of the greatest ladies I have ever had the pleasure to know. I am sorry I did not get to be with her more. I always thought of her as I did Aunt Betty, the ideal wife and mother. You all were very blessed to have her so close in your lives. I pray now for God to place his hands on your hearts and start the healing process. I love you all. Love, Jacki Hope
