“ *I just heard about Judy's passing. I knew her only through a friend and also from seeing her at horse shows. She was always smiling and loved her family. She was having health issues but kept them to herself. She was always caring for her family. May she rest in peace.*

“ May fond memories of Judy bring you comfort during this hard time in your life. Look back on all the good memories you were able to have and smile at the fact that you were able to share these before she passed away. My hearts and prayers go out to you and your family. God has promised us that we will soon be reunited with our loved ones. “There is going to be a resurrection,“ the Bible confirms at Acts 24:15. “Do not be amazed at this,“ Jesus assures us, “for the hour is coming in which all those in the memorial tombs will hear his voice and come out.“ (John 5:28, 29)

“ I am going to miss her sweet face. I am so happy that I got to spend some time with Judy over the last two years. She could always make me laugh. I will never forget the night we kept Paxton and Cayson. We'd get one asleep and the other would wake up. We both just laughed because we didn't know what to do. But we had so much fun that night. I will definitely miss her. Beth, Becky and Brian, you all are in my thoughts and prayers.
