“ *I have so many good memories of my aunt - the time we lived next door to her on Versailles Road and Tommy and I shared a playhouse built by our dads; Sandy, the cocker spaniel; the big side yard where we ate watermelon and chased lightning bugs; the day Tommy and I sat by the front hedge and waited for Reece and Geraldine to come home from the hospital with a newborn Marty; playing cards on her living room rug; knowing where she kept the Oreos and Fritos; letting her brush my hair because she didn't have a little girl to fix pigtails for. I could write on and on about the things I remember about my Aunt Geraldine, but most of all I remember how much she loved me and cared about me. I will truly miss her.*

“ *I will miss Granny very much but her memories will be with me forever. She loved her family so much and it makes my heart smile to know that she is with Papaw right now. I'm sorry I could not be there for the funeral but my heart and spirit are there. My love and prayers go out to you all.*
