“ Jeff, Kelly and Rachel, all of you are being thought of and prayed for. Julie was always "Julie Bug" to Joe Pat and he remembers all those kids chasing June bugs every summer. So cute. She turned into a lovely women, with a heart bigger than the moon. She never stopped and thought of herself as an adult and that's what made her happy. I'll miss those fiery brown eyes and quick wit. All of the brothers and sisters were like my younger siblings and they always will be. Love you all, Joe Pat and Peggy Hutcherson
