“ *I realize this message is very late but I was not aware that Julie had passed. I live two doors away from her and I had not seen her in some time so I was worried about her. Julie and I were not close but she was one of those neighbors who always felt like a friend -- she fit my definition of what a neighbor should be. I miss seeing her. I am so sorry for your loss and if there is anything I can do to help, please let me know. I live at 544 Poa.*

“ *Curtis and Beverly,
Heavy, saddened hearts this morning as I read this obit. We had no idea that you all were going through this valley. Please know that our hearts are heavy and broken. We will begin to pray for you all and the rest of the family.*

Curtis, Don said to tell you that you were a great friend growing up and he is so saddened by this news.

*Love,
Don and Margo*

“ I am heartbroken upon the news of Julie's passing. I think of all the fun times playing as kids with Aimee and Julie and band camp times as well. I am praying for Curtis, Beverly and Aimee as well as Julie's son during this very difficult time. God is holding you tight during this difficult time.
