“ I was so saddened to learn of June's passing. I enjoyed knowing her as my mother's dear friend and later as a wonderful next door neighbor. She had such a fabulous sense of humor and was always there to listen.

“ Mrs Jacobs, June, such a lovely lady. A classy woman who will be fondly remembered by all who knew her. There has probably not been a day gone by since 1969 without my remembering something good, kind, or warm about June and Gene and the family they raised. Our family, as many other families, loved our wonderful friend, June. Her absence will leave a hole in our lives. respectfully,

“ Mrs. Jacobs was such a lovely person. I was very young when I got to know the Jacobs family, went to school with Mike. They were just nice and I hated to see them move away when they did. Mike you are in my prayers.
