I remember when I was a little girl and Junior was in my life from the time I was 7 years old. He rode us on his motorcycle and I stayed with him and my sister and watched the kids until I was 16 years old. Loved him with all my heart. Also remember when carried there band equipment in a hearse and rode in it with them. It was a little creepy to me. Lol...I have years of memories he was a major part of my life. So sorry I never had a chance to see him again. R.I.P. Junior. ❤️
