“ To Justin's Family, I want to express my deepest sympathy for your loss. God is aware of the emotional pain you're experiencing during this difficult time. Many people have found hope and comfort from the promise made in Revelation 21:3,4 where it states that sickness and death will be no more. I hope this promise will be a source of comfort for you. Also, try to recall the happy memories you shared with Justin. Those memories along with prayer to God for comfort will help you to endure your loss.
