“ *This lovely woman is my only VERY Best friend in the world. Closer than a sister could ever be to me. Kaelin and I have shared so much love and many beautiful moments and memories. I know that Kaelin loved her family so much and that is why I love you all the way that I do as my own family. My heart is truly at a loss, but she remains in my heart which allows me to love and cherish our very best moments. Truly it is not in how many breaths one may take, but the moments that take your breath away. I love you Kaelin Hart. My condolences to the family u are forever in my heart and in my prayers. Thank you for the opportunity to show my feelings and share my condolences. May the grace, love and comfort of GOD our father be with you.*
