“ A beautiful friend- gone to soon. Her laugh was contagious! Her smile would light up the darkest room. She was a kind soul. Who will be missed. I pray her family finds peace in all their precious memories with Kathy.

We have so man childhood memories together. The good and the bad. I always loved hanging with you and looked up to. You had the best laugh and was so much fun to be around. I hate that we grew apart as we got older. My love for you never stopped. I hate that you lost your life to this hideous disease. Seems so unfair. I'm sure you're at peace up in Heaven with your precious Daddy. Love you cuz!

I remember going to church with you and your boys. They were so small. You were always so funny. It seems so long ago. Than I moved out of State and to Louisville. I don't get to see family, much anymore. I still love you all so much. I miss everyone. You were taken from us way to soon! I hate this disease. I know you are in no more pain, in Heaven, with your Daddy. I pray for peace for Aaron, your boys, Donnie Ray, Sue Anne, Aunt Kathy and your nephews. I love you all. I love you Kathy Mae. May you rest in peace.
