“ *We are so saddened to hear of the loss of such a great lady. Everyone who has ever known or been around Kack is a better person for it. Most of my fondest memories as a child that involve Kentucky, surely involve Kack. She was always quick with a smile or a kind word, even in the midst of a bunch of wild boys, as we (Todd, Chay, Jeremy, Josh, and me) ran through the house, played in the yard, and explored the garden. I will always remember her cheerful welcome and her tender demeanor. Our thoughts and prayers are with you all, and even in this somber time, fond thoughts of her bring a smile to our faces. “ I was privileged to meet Kackie when my family moved near Galbraith Road and Susan and I road the school bus together and became best friends. I became so attached to the Galbraiths that I just about took up residence with them. Kackie accepted me as one of her own and it could be said that she and Bud both spoiled me as a "baby of the family". Many times I would even be their "only child" going out to dinner with them and Kackie would introduce me to people, saying all they needed was the papers on me. Kackie was the personification of a "people" person. She loved people, had more friends than anyone I've ever known, and spent much of her spare time helping a friend in need. She was a wonderful Mama and so proud of her three daughters and their many accomplishments. I never talked to her when she didn't tell me about her grandchildren and great-grandchildren too. I know they too brought her immense joy. Susan, Brenda, Ruthie and extended family you truly have lost a treasure. May you find comfort in many happy memories. I know you will as I share them too.

“ *Ruth Ann and Susan-I was saddened to hear of the passing of your mom. I know you both took great care of her and she will be greatly missed. I would be there if not for having a colon resection in the am. Just wanted you to know that you and your families are in my thoughts and prayers. Love Beth*
