“ Josie...It's been awhile since we've seen each other but I've always kept you and Glenn and the kids in my "good memory book." While glancing through the paper this morning, I was drawn to a picture of a cheery woman's face in the obituaries and saw that she was your Mom...made sense to me that you two would be connected, since you have always been so cheery yourself. I wanted to let you know that even though I didn't know her, I know what a special person she was through you. Take care, Josie, and know that many are with you ...especially at this time. Love from, Mary Kenna

“ I wish to express my sincere condolences to the Ramsey Family. Mrs. Ramsey was one of the sweetest persons I knew. She always had a smile on her face and friendly hello for everyone. I remember in my younger days spending time at the Ramsey house on Beechwood and what fun that was. She was a remarkable, wonderful woman and I know she will be missed by her family and friends.
