“ I have known Kathy just about my entire life. She and Ronnie were great school mates growing up. I also had the pleasure of working with Kathy in the Division of Bridges at the Kentucky Transportation Cabinet. Her smile and beautiful face was second to none. We would always share memories of our childhood every day. I moved on and regrettably did not see Kathy very often after that. But when I did, that smile and laugh would say it all! I will miss you dear friend just knowing I will not see you around town anymore but you will always be in your old friends heart! Rest in peace Kathy. Heaven has received an angel.
