“ Kathy and I were great friends at Elizabethtown High. I loved her sense of humor. We were supposed to get together the summer of 2023 because i had moved back from Vermont. I did not get to do that with her. Don't let time pass away. I am telling the family of Kathy that I thought of her through the years and will continue to think of her.

“ I went to school with Kathy in E-town and we lived on the same floor at WKU. She was such a kind person. We had not spoken a several years. Something told me to look at her Facebook page. That's where I saw the post. I'm heartbroken that she is gone but know she is in a better place. She will be missed!! Prayers for her family and friends!! 🥺
