“ *I would like to let the family know that they are in my prayers at this time. I have known Ms. Katie for thirty five years and she has always been a woman that would help you in anyway she could. I will miss Ms.Katie and her smile, and that she never met a stranger and loved everyone. I know she is in the arms of our Lord and Saviour. May God continue to be with her daughter and her sons and give them the strength to get through at this time.*

“ *I wanted to express my sympathy to the family of Katie Green. She was such a lovely lady, always smiling. My husband and I first met her when she cooked for Buck Run Baptist Church, then she would attend a lot of special events there. He also knew her from his work at the Housing Authority. When he had to be in the nursing home and needed someone to sit with him some, I knew she would be the perfect person because he liked and respected her so much. I was so sorry to learn of her passing. My prayers are with you - I know she will be missed.*

“My condolences go out to this family. I am still shocked to hear of her passing. She was a VERY sweet lady, I always seen her in church, bible study and at any functions at the church. She was very quite. The last time I seen her she was at my aunts funeral (Jackie Childs)and I learn that she worked with her at Bradford Square. I'm going to miss seeing her in church. Sad part is, I never knew her name, just remembered her sweet smile!!!!

“ While I did not know Ms. Green for a very long time, for the past few years she was a welcome presence in my family. I could not have prayed for a gentler, more compassionate woman than Katie to be with my grandfather in the last years of his life.

*Katie was always so incredibly loving, patient, and kind. My heart and prayers go out to Katie and her family during this time.*

*I will always remember her sweet treats, her loving ways, and the incredible Christmas service I was able to attend with her this past year.*

*With much love,  
Leah*

“ Katie Green came into our lives as a care-taker for my father during the last years of his life. Her calm, steady, loving care, coupled with an ever-ready laugh, made those years happier and easier for us all. Her inner, spiritual core was apparent to all who knew her. She will be remembered with love and gratitude - always - from the Shayon/Cox family.
